Introduction to the Microsoft Services Agreement

The Microsoft Services Agreement is an agreement between you and Microsoft (or one of its affiliates) that governs your use of Microsoft consumer online products and services (including related support).

We understand that you may have questions about the Microsoft Services Agreement. We have an [FAQ page](https://www.microsoft.com/en-in/servicesagreement/faq) (https://www.microsoft.com/en-in/servicesagreement/faq) that provides more information, including what Microsoft products and services it covers. Whenever we make changes, we provide a summary of the most notable changes to the current Microsoft Services Agreement on the [Summary of Changes](https://www.microsoft.com/en-in/servicesagreement/updates) (https://www.microsoft.com/en-in/servicesagreement/updates) page.

Microsoft Services Agreement

These terms ("**Terms**") cover the use of those Microsoft consumer products, websites, related support and services listed at the end of these Terms [here](https://www.microsoft.com/servicesagreement#serviceslist) (https://www.microsoft.com/servicesagreement#serviceslist) (the "**Services**"). You accept these Terms by creating a Microsoft account, through your use of the Services, or by continuing to use the Services after being notified of a change to these Terms.

Your Privacy

1. **Your Privacy.** Your privacy is important to us. Please read the [Microsoft Privacy Statement](https://go.microsoft.com/fwlink/?LinkId=521839) (https://go.microsoft.com/fwlink/?LinkId=521839) (the “**Privacy Statement**”) as it describes the types of data we collect from you and your devices (“**Data**”), how we use your Data and the legal bases we have to process your Data. The Privacy Statement also describes how Microsoft uses your content, which is: your communications with others; postings submitted by you to Microsoft via the Services; and the files, photos, documents, audio, digital works, livestreams and videos that you upload, store, broadcast, create, generate or share through the Services, or inputs that you submit in order to generate content “**Your Content**”). Where processing is based on consent and to the extent permitted by law, by agreeing to these Terms, you consent to Microsoft’s collection, use and disclosure of Your Content and Data as described in the Privacy Statement. In some cases, we will provide separate notice and request your consent as referenced in the Privacy Statement.

Your Content

2. **Your Content.** Many of our Services allow you to create, store or share Your Content or receive material from others. We don’t claim ownership of Your Content. Your Content remains yours, and you are responsible for it.

a. When you share Your Content with other people, you understand that they may be able to, on a worldwide basis, use, save, record, reproduce, broadcast, transmit, share and display Your Content for the purpose that you made Your content available on the Services, without compensating you. If you do not want others to have that ability, do not use the Services to share Your Content. You represent and warrant that for the duration of these Terms, you have (and will have) all the rights necessary for Your Content that is uploaded, stored or shared on or through the Services and that the collection, use and retention of Your Content will not violate any law or rights of others. Microsoft does not own, control, verify, pay for, endorse or otherwise assume any liability for Your Content and cannot be held responsible for Your Content or the material others upload, store or share using the Services.

b. To the extent necessary to provide you and others with the Services, to protect you and the Services, and to improve Microsoft products and services, you grant to Microsoft a worldwide and royalty-free intellectual property licence to use Your Content, for example, to make copies of, retain, transmit, reformat, display and distribute via communication tools Your Content on the Services. If you publish Your Content in areas of the Service where it is available broadly online without restrictions, Your Content may appear in demonstrations or materials that promote the Service. Some of the Services are supported by advertising. Controls for how Microsoft personalises advertising are available at <https://choice.live.com>. We do not use what you say in email, chat, video calls or voice mail, or your documents, photos or other personal files to target advertising to you. Our advertising policies are covered in detail in the Privacy Statement.

c. Microsoft provides you with the ability to access your exportable data through the [Microsoft privacy dashboard](https://account.microsoft.com/privacy) (https://account.microsoft.com/privacy) or the product user interface, when authenticated with your Microsoft account. This exportable data can be used to switch to third-party provider services. Microsoft reserves the right to restrict the export of data that may compromise the security of the services or Microsoft's intellectual property. If you are unable to export your data through these mechanisms, contact Microsoft at the address in the [How to contact us](https://privacy.microsoft.com/privacystatement#mainhowtocontactusmodule) section (https://privacy.microsoft.com/privacystatement#mainhowtocontactusmodule) or by using our [web form](https://go.microsoft.com/fwlink/?linkid=2126612) (https://go.microsoft.com/fwlink/?linkid=2126612).

Code of Conduct

3. **Code of Conduct.** You are accountable for your conduct and content when using the Services.

a. By agreeing to these Terms, you're agreeing that, when using the Services, including AI services that make decisions or take actions, autonomously or with varying levels of human intervention, you will follow these rules:

- i. Don't do anything illegal, or try to generate or share content that is illegal.
- ii. Don't engage in any activity that exploits, harms or threatens to harm children.
- iii. Don't send spam or engage in phishing, or try to generate or distribute malware. Spam is unwanted or unsolicited bulk email, postings, contact requests, SMS (text messages), instant messages or similar electronic communications. Phishing is sending emails or other electronic communications to fraudulently or unlawfully induce recipients to reveal personal or sensitive information, such as passwords, dates of birth, National Insurance numbers, passport numbers, credit card information, financial information or other sensitive information, or to gain access to accounts or records, exfiltration of documents or other sensitive information, payment and/or financial benefit. Malware includes any activity designed to cause technical harm, such as delivering malicious executables, organising denial of service attacks or managing command and control servers.
- iv. Don't publicly display or use the Services to generate or share inappropriate content or material (involving, for example, nudity, bestiality, pornography, offensive language, graphic violence, self-harm or criminal activity) or Your Content or material that does not comply with local laws or regulations.
- v. Don't engage in activity that is fraudulent, false or misleading (e.g. asking for money under false pretences, impersonating someone else, creating fake accounts, automating inauthentic activity, generating or sharing content that is intentionally deceptive, manipulating the Services to increase play count or affect rankings, ratings or comments), or libellous or defamatory.
- vi. Don't circumvent any restrictions on access to, usage or availability of the Services (e.g. attempting to "jailbreak" an AI system, or impermissible scraping).
- vii. Don't engage in activity that is harmful to you, the Services or others (e.g. transmitting viruses, stalking, trying to generate or sharing content that harasses, bullies or threatens others, posting terrorist or violent extremist content, communicating hate speech or advocating violence against others).
- viii. Don't violate or infringe upon the rights of others (e.g. unauthorised sharing of copyrighted music or other copyrighted material, resale or other distribution of Bing maps, or taking photographs or video/audio recordings of others without their consent for processing of an individual's biometric identifiers/information or any other purpose using any of the Services).
- ix. Don't engage in activity that violates the privacy or data protection rights of others.
- x. Don't help others break these rules.

More information about our policies, moderation and enforcement processes and service-specific terms is available at aka.ms/trustandsafety.

Using the Services and Support

4. Using the Services and Support.

a. **Microsoft account.** You'll need a Microsoft account to access many of the Services. Your Microsoft account lets you sign in to products, websites and services provided by Microsoft and some Microsoft partners.

i. **Creating an Account.** You can create a Microsoft account by signing up online. You agree not to use any false, inaccurate or misleading information when signing up for your Microsoft account. In some cases, a third party, such as your Internet service provider, may have assigned a Microsoft account to you. If you received your Microsoft account from a third party, the third party may have additional rights over your account, such as the ability to access or delete your Microsoft account. Please review any additional terms that the third party provided you with, as Microsoft has no responsibility regarding these additional terms. If you create a Microsoft account on behalf of an entity, such as your business or employer, you represent that you have the legal authority to bind that entity to these Terms. You cannot transfer your Microsoft account credentials to another user or entity. To protect your account, keep your account details and password confidential. You are responsible for all activity that occurs under your Microsoft account.

ii. **Account Use.** You must use your Microsoft account to keep it active. This means you must sign in at least once in a two-year period to keep your Microsoft account, and associated Services (unless specified otherwise), active, unless a longer period is provided in the Microsoft account activity policy at <https://go.microsoft.com/fwlink/p/?linkid=2086738> or in an offer for a paid portion of the Services. If you don't sign in during this time, we will assume your Microsoft account is inactive and will close it for you. Please see section 4.a.iv.2 for the consequences of a closed Microsoft account. You must sign in to your Outlook.com inbox and your OneDrive (separately) at least once in a one-year period, otherwise we will close your Outlook.com inbox and your OneDrive for you. If we reasonably suspect that your Microsoft account is at risk of being used by a third party fraudulently (for example, as a result of an account compromise), Microsoft may suspend your account until you can reclaim ownership. Based on the nature of the compromise, we may be required to disable access to some or all of Your Content. If you are having trouble accessing your Microsoft account, please visit this website: <https://go.microsoft.com/fwlink/?LinkId=238656>.

iii. **Children and Accounts.** By creating a Microsoft account or using the Services, you accept and agree to be bound by these Terms and represent that you have either reached the age of "majority" or "legal responsibility" where you live or your parent or legal guardian agrees to be bound by these Terms on your behalf. If you do not know whether you have reached the age of "majority" or "legal responsibility" where you live, or do not understand this section, please ask your parent or legal guardian for help. If you are the parent or legal guardian of a minor, you and the minor accept and agree to be bound by these Terms and are responsible for all use of the Microsoft account or Services, including purchases, whether the minor's account is now open or created later.

iv. Closing Your Account.

1. You can cancel specific Services or close your Microsoft account at any time and for any reason. To close your Microsoft account, please visit <https://go.microsoft.com/fwlink/p/?linkid=618278>. When you ask us to close your Microsoft account, you can choose to put it in a suspended state for either 30 or 60 days just in case you change your mind. After that 30- or 60-day period, your Microsoft account will be closed. Please see section 4.a.iv.2 below for an explanation as to what happens when your Microsoft account is closed. Logging back in during the suspension period will reactivate your Microsoft account.

2. If your Microsoft account is closed (whether by you or us), a few things happen. First, your right to use the Microsoft account to access the Services stops immediately. Second, we'll delete Data or Your Content associated with your Microsoft account or will otherwise disassociate it from you and your Microsoft account (unless we are required by law to keep it, return it or transfer it to you or a third party identified by you). You should have a regular backup plan as Microsoft won't be able to retrieve Your Content or Data once your account is closed. Third, you may lose access to products you've acquired.

b. **Moderation and Enforcement.** Many of our Services that allow you to interact, create, generate and share content with others leverage safety systems to protect our Services and other users.

i. **Policies.** Our [Code of Conduct](https://www.microsoft.com/DigitalSafety/policies) identifies what's prohibited when using our Services. Our content and conduct policies can be found [here](https://www.microsoft.com/DigitalSafety/policies) (<https://www.microsoft.com/DigitalSafety/policies>). Specific Services have additional policies and community standards applicable to their users, which are available [here](https://aka.ms/trustandsafety) (<https://aka.ms/trustandsafety>).

ii. **Reporting a Concern.** You can report concerning content or conduct that may violate our Code of Conduct [here](https://aka.ms/reportconcerns) (<https://aka.ms/reportconcerns>).

iii. **Review.** Where applicable, we may use automated systems and humans to review content to identify suspected spam, viruses, fraud, phishing, malware, jailbreaking or other illegal or harmful content or conduct.

iv. **Enforcement.** We reserve the right to deny content if it exceeds limits on storage or file size allowed by the Service. We may block, remove or decline to display content if it appears to violate our Code of Conduct or another Service policy or where required by law. If you violate these terms or [Policies](https://aka.ms/trustandsafety) (<https://aka.ms/trustandsafety>), we may take action against your account. This could include limiting access to certain features or Services, stopping providing Services, closing your Microsoft account immediately or blocking delivery of a communication (such as email, file sharing or instant message) to or from the Services. Closure of your access to a Service or your account may result in forfeiture of content licences, associated content, memberships and Microsoft account balances associated with the account. When reviewing alleged violations of these Terms, Microsoft reserves the right to review content to resolve the issue. However, we cannot monitor the entirety of the Services and make no attempt to do so. For more information about the [moderation and enforcement processes](https://www.microsoft.com/DigitalSafety/moderation-and-enforcement) (<https://www.microsoft.com/DigitalSafety/moderation-and-enforcement>), [Service specific terms, Additional policies and guidelines](https://www.microsoft.com/DigitalSafety/policies/additional-guidelines) (<https://www.microsoft.com/DigitalSafety/policies/additional-guidelines>) and [appeals](https://www.microsoft.com/DigitalSafety/moderation-and-enforcement/appeals) (<https://www.microsoft.com/DigitalSafety/moderation-and-enforcement/appeals>), see <https://aka.ms/trustandsafety>. Information about our policy relating to claims of intellectual property infringement may be found at [NOTICES](https://aka.ms/NOTICES).

c. **Work or School Accounts.** You can sign in to certain Microsoft services with a work or school email address. If you do, you agree that the owner of the domain associated with your email address may be notified of the existence of your Microsoft account and its associated subscriptions, control and administer your account, and access and process your Data, including the contents of your communications and files, and that Microsoft may notify the owner of the domain if the account or Data is compromised. You further agree that your use of the Microsoft services may be subject to the agreements Microsoft has with you or your organisation and these Terms may not apply. If you already have a Microsoft account and you use a separate work or school email address to access Services covered under these Terms, you may be prompted to update the email address associated with your Microsoft account in order to continue accessing such Services.

d. **Additional Equipment/Data Plans.** To use many of the Services, you'll need an Internet connection and/or data/mobile plan. You might also need additional equipment, such as a headset, camera or microphone. You are responsible for providing all connections, plans and equipment needed to use the Services and for paying the fees charged by the provider(s) of your connections, plans and equipment. Those fees are in addition to any fees you pay us for the Services, and we will not reimburse you for such fees. Check with your provider(s) to determine if there are any such fees that may apply to you.

e. **Service Notifications.** When there's something we need to tell you about a Service you use, we'll send you Service notifications. If you gave us your email address or phone number in connection with your Microsoft account, then we may send Service notifications to you via email or via SMS (text message), including to verify your identity before registering your mobile phone number and verifying your purchases. We may also send you Service notifications by other means (for example, by in-product messages). **Data or messaging rates may apply when receiving notifications via SMS.**

f. **Support.** Support for some Services is available at <https://support.microsoft.com> and is governed by these terms, and certain Services may offer separate or additional customer support, subject to **additional** terms. Support may not be available for preview or beta versions of features or Services. Availability of Support may vary based on the stage of the product lifecycle, and you must have an eligible and validly licensed Service(s) that meet(s) the applicable minimum requirements for supportability described in the [Microsoft Lifecycle](https://learn.microsoft.com/lifecycle) (<https://learn.microsoft.com/lifecycle>). The Services might not be compatible with software or services provided by third parties, and you are responsible for familiarising yourself with compatibility requirements.

g. **Ending your Services.** If your Services are cancelled (whether by you or us), first your right to access the Services stops immediately and your licence to the software related to the Services ends. Second, we'll delete Data or Your Content associated with your Service or will otherwise disassociate it from you and your Microsoft account (unless we are required by law to keep it, return it or transfer it to you or a third party identified by you). As a result, you may no longer be able to access any of the Services (or Your Content that you've stored on those Services). You should have a regular backup plan. Third, you may lose access to products you've acquired. If you have cancelled your Microsoft account and have no other account able to access the Services, your Services may be cancelled immediately.

Using Third-Party Apps and Services

5. **Using Third-Party Apps and Services.** The Services may allow you to access or acquire products, services, websites, links, content, material, games, skills, integrations, bots or applications from independent third parties (companies or people who aren't Microsoft) ("**Third-Party Apps and Services**"). Many of our Services also help you find, make requests to or interact with Third-Party Apps and Services and may allow or require you to share Your Content or Data with such Third-Party Apps and Services, and you understand that by using our Services you are directing them to make Third-Party Apps and Services available to you. The Third-Party Apps and Services may allow or require you to store Your Content or Data with the publisher, provider or operator of the Third-Party Apps and Services. The Third-Party Apps and Services may present you with a privacy policy or require you to accept their terms before you can install or use the Third-Party App or Service. See section 13.b for additional terms for applications acquired through certain Stores owned or operated by Microsoft or its affiliates (including, but not limited to, the Office Store, the Microsoft Store on Xbox and the Microsoft Store on Windows). You should review the third-party terms and privacy policies before acquiring, using, requesting or linking your Microsoft Account to any Third-Party Apps and Services. Any third-party terms do not modify these Terms. Microsoft does not license any intellectual property to you as part of any Third-Party Apps and Services. You agree to assume all risk and liability arising from your use of these Third-Party Apps and Services and that Microsoft is not responsible for any issues arising out of your use of them. Microsoft is not responsible or liable to you or others for information or services provided by any Third-Party Apps and Services.

Service Availability

6. Service Availability.

a. The Services, Third-Party Apps and Services, or material or products offered through the Services may be unavailable from time to time, may be offered on a limited basis or may vary depending on your region or device. If you change the location associated with your Microsoft account, you may need to re-acquire material or applications that were available to you and paid for in your previous region. You agree not to access or use material or Services which are illegal or not licensed for use in the country from which you access or use such material or Services, or to conceal or misrepresent your location or identity in order to access or use such material or Services.

b. We strive to keep the Services up and running; however, all online services suffer occasional disruptions and outages and Microsoft is not liable for any disruption or loss you may suffer as a result. In the event of an outage, you may not be able to retrieve Your Content or Data that you've stored. We recommend that you regularly backup Your Content and Data that you store on the Services or store using Third-Party Apps and Services.

Updates to the Services or Software and Changes to These Terms

7. Updates to the Services or Software and Changes to These Terms.

- a. We may change these Terms at any time, and we'll tell you when we do. Using the Services after the changes become effective means you agree to the new terms. If you do not agree to the new terms, you must stop using the Services, close your Microsoft account and, if you are a parent or guardian, help your minor child close his or her Microsoft account.
- b. Sometimes you will need software updates to keep using the Services. We may automatically check your version of the software and download software updates or configuration changes. You may also be required to update the software to continue using the Services. Such updates are subject to these Terms unless other terms accompany the updates, in which case, those other terms apply. Microsoft isn't obligated to make any updates available and doesn't guarantee that we will support the version of the system for which you purchased or licensed the software, apps, content or other products. Such updates may not be compatible with software or services provided by third parties. You may withdraw your consent to future software updates at any time by uninstalling the software.
- c. Additionally, there may be times when we need to remove or change features or functionality of the Service or stop providing a Service or access to Third-Party Apps and Services altogether. Except to the extent required by applicable law, we have no obligation to provide a re-download or replacement of any material, Digital Goods (defined in section 13.i), or applications previously purchased. We may release the Services or their features in a preview or beta version, which may not work correctly or in the same way the final version may work.
- d. So that you can use material protected with digital rights management (DRM), like some music, games, films, books and more, DRM software may automatically contact an online rights server and download and install DRM updates.

Software Licence

8. **Software Licence.** Unless accompanied by a separate Microsoft licence agreement (for example, if you are using a Microsoft application that is included with and a part of Windows, then the Microsoft Software Licence Terms for the Windows Operating System govern such software), any software provided by us to you as part of the Services is subject to these Terms. Applications acquired through certain Stores owned or operated by Microsoft or its affiliates (including, but not limited to the Office Store, Microsoft Store on Windows and Microsoft Store on Xbox) are subject to section 13.b.i below.

- a. If you comply with these Terms, we grant you the right to install and use one copy of the software per device on a worldwide basis for use by only one person at a time as part of your use of the Services. For certain devices, such software may be pre-installed for your personal, non-commercial use of the Services. The software or website that is part of the Services may include third-party code. Any third-party scripts or code, linked to or referenced from the software or website, are licensed to you by the third parties that own such code, not by Microsoft. Notices, if any, for the third-party code are included for your information only.
- b. The software is licensed, not sold, and Microsoft reserves all rights to the software not expressly granted by Microsoft, whether by implication, estoppel or otherwise. This licence does not give you any right to, and you may not:
 - i. circumvent or bypass any technological protection measures in or relating to the software or Services;
 - ii. disassemble, decompile, decrypt, hack, emulate, exploit or reverse engineer any software or other aspect of the Services that is included in or accessible through the Services, except and only to the extent that the applicable copyright law expressly permits doing so;
 - iii. separate components of the software or Services for use on different devices;
 - iv. publish, copy, rent, lease, sell, export, import, distribute or lend the software or the Services, unless Microsoft expressly authorises you to do so;
 - v. transfer the software, any software licences, or any rights to access or use the Services;
 - vi. use the Services in any unauthorised way that could interfere with anyone else's use of them or gain access to any service, data, account or network;
 - vii. enable access to the Services or modify any Microsoft-authorised device (e.g. Xbox consoles, Microsoft Surface, etc.) by unauthorised third-party applications.

Payment Terms

9. Payment Terms. If you purchase a Service, then these payment terms apply to your purchase and you agree to them.

a. **Charges.** If there is a charge associated with a portion of the Services, you agree to pay that charge in the currency specified. The price stated for the Services excludes all applicable taxes and currency exchange settlements, unless stated otherwise. All prices for Skype paid products are inclusive of applicable taxes, unless otherwise stated. You are solely responsible for paying such taxes or other charges. Skype calculates taxes based on the residential address associated with your billing information. You are responsible for ensuring that this address is up to date and accurate. Except for Skype products, taxes are calculated based on your location at the time your Microsoft account was registered unless local law requires a different basis for the calculation. **We may suspend or cancel the Services if we do not receive an on-time, full payment from you.** Suspension or cancellation of the Services for non-payment could result in a loss of access to and use of your account and its content. Connecting to the Internet via a corporate or other private network that masks your location may cause charges to be different from those displayed for your actual location. Depending on your location, some transactions might require foreign currency conversion or be processed in another country. Your bank might charge you additional fees for those services when you use a debit or credit card. Please contact your bank for details.

b. **Your Billing Account.** To pay the charges for a Service, you will be asked to provide a payment method at the time you sign up for that Service. For all Services other than Skype, you can access and change your billing information and payment method on the [Microsoft account management website](https://go.microsoft.com/fwlink/p/?linkid=618281) (<https://go.microsoft.com/fwlink/p/?linkid=618281>) and for Skype software and products by signing into your account portal at <https://skype.com/go/myaccount>. Additionally, you agree to permit Microsoft to use any updated account information regarding your selected payment method provided by your issuing bank or the applicable payment network. You agree to promptly update your account and other information, including your email address and payment method details, so we can complete your transactions and contact you as needed in connection with your transactions. Changes made to your billing account will not affect charges we submit to your billing account before we could reasonably act on your changes to your billing account.

c. **Billing.** By providing Microsoft with a payment method, you (i) represent that you are authorised to use the payment method you provided and that any payment information you provide is true and accurate; (ii) authorise Microsoft to charge you for the Services or available content using your payment method; and (iii) authorise Microsoft to charge you for any paid feature of the Services you choose to sign up for or use while these Terms are in force. We may bill you (a) in advance; (b) at the time of purchase; (c) shortly after purchase or (d) on a recurring basis for subscription Services. Also, we may charge you up to the amount you have approved, and we will notify you in advance of any change in the amount to be charged for recurring subscription Services. We may bill you at the same time for more than one of your prior billing periods for amounts that haven't previously been processed.

d. **Recurring Payments.** When you purchase the Services on a subscription basis (e.g., monthly, every 3 months or annually), you agree that you are authorising recurring payments, and payments will be made to Microsoft by the method and at the recurring intervals you have agreed to, until the subscription for that Service is terminated by you or by Microsoft. You must cancel your Services before the next billing date to stop being charged to continue your Services. We will provide you with instructions on how you may cancel the Services. By authorising recurring payments, you are authorising Microsoft to process such payments as either electronic debits or fund transfers, or as electronic drafts from your designated account (for Automated Clearing House or similar payments), or as charges to your designated account (for credit card or similar payments) (collectively, "**Electronic Payments**"). Subscription fees are generally charged in advance of the applicable subscription period. If any payment is returned unpaid or if any credit card or similar transaction is rejected or denied, Microsoft or its service providers reserve the right to collect any applicable return item, rejection or insufficient funds fee and process any such payment as an Electronic Payment.

e. **Online Statement and Errors.** For all Services other than Skype, Microsoft will provide you with an online billing statement on the [Microsoft account management website](https://go.microsoft.com/fwlink/p/?linkid=618282) (<https://go.microsoft.com/fwlink/p/?linkid=618282>), where you can view and print your statement. For Skype, you can access your online statement by signing into your account at www.skype.com (<https://www.skype.com>). This is the only billing statement that we provide. If we make an error on your bill, you must tell us within 90 days after the error first appears on your bill. We will then promptly investigate the charge. If you do not tell us within that time, you release us from all liability and claims of loss resulting from the error and we won't be required to correct the error or provide a refund, unless otherwise required by law. If Microsoft has identified a billing error, we will correct that error within 90 days. This policy does not affect any statutory rights that may apply.

f. **Refund Policy.** Unless otherwise provided by law or the terms of a particular Service offer, all purchases are final and non-refundable. If you believe that Microsoft has charged you in error, you must contact us within 90 days of such charge. No refunds will be given for any charges more than 90 days old, unless otherwise required by law. We reserve the right to issue refunds or credits at our sole discretion unless otherwise required by law. If we issue a refund or credit, we are under no obligation to issue the same or similar refund in the future. This refund policy does not affect any statutory rights that may apply. For more refund information, please visit our [help topic](https://go.microsoft.com/fwlink/p/?linkid=618283) (<https://go.microsoft.com/fwlink/p/?linkid=618283>). If you live in Taiwan or Israel, please note that according to the Consumer Protection Act and its relevant regulations, all purchases pertaining to digital content provided via intangible form and/or on-line services are final and non-refundable when such content or service has been provided on line. You are not entitled to claim any cooling off period or any refund.

g. **Cancelling the Services.** You may cancel a Service at any time, with or without cause. Cancelling paid Services stops future charges to continue the Service. To cancel a Service and request a refund, if you are entitled to one, visit the Microsoft account management website. For Skype, please complete the Withdrawal Form using the information provided [here](https://go.microsoft.com/fwlink/p/?linkid=618286) (<https://go.microsoft.com/fwlink/p/?linkid=618286>). You should refer back to the offer describing the Services as (i) you may not receive a refund at the time of cancellation; (ii) you may be obliged to pay cancellation charges; (iii) you may be obliged to pay all charges made to your billing account for the Services before the date of cancellation; and (iv) you may lose access to and use of your account when you cancel the Services; or, if you live in Taiwan or Israel, (v) you may receive a refund in the amount equal to the unused fees you paid for a Service calculated at the time of cancellation. If you live in Israel you may cancel by any of the means listed on <https://support.microsoft.com/help/4027815>. Please contact a Microsoft representative by telephone to obtain a refund if you are eligible for it. We will process your Data as described above in section 4. If you cancel, your access to the Services ends at the end of your current Service period or, if we bill your account on a periodic basis, at the end of the period in which you cancelled. If you initiate a chargeback or reversal with your bank for your payment of Services, we will deem you to have cancelled as of the date that the original payment was made, and you authorise us to

immediately cancel your service and/or revoke any content that was provided to you in exchange for such payment.

h. **Trial-Period Offers.** If you are taking part in any trial-period offer, you may be required to cancel the trial Service(s) within the timeframe communicated to you when you accepted the offer in order to avoid being charged to continue the Service(s) at the end of the trial period. For certain trial-period offers, we may require auto-renewal to be turned on.

i. **Promotional Offers.** From time to time, Microsoft may offer Services for free for a trial period. Microsoft reserves the right to charge you for such Services (at the normal rate) if Microsoft determines (in its reasonable discretion) that you are abusing the terms of the offer.

j. **Price Changes.** We may change the price of the Services at any time and if you have a recurring purchase, we will notify you by email, or other reasonable manner, at least 15 days before the price change. If you do not agree to the price change, you must cancel and stop using the Services before the price change takes effect. If there is a fixed term and price for your Service offer, that price will remain in force for the fixed term.

k. **Payments to You.** If we owe you a payment, then you agree to timely and accurately provide us with any information we need to get that payment to you. Subject to applicable law, you are responsible for any taxes and charges you may incur as a result of this payment to you. You must also comply with any other conditions we place on your right to any payment. **If you receive a payment in error, we may reverse or require return of the payment. You agree to cooperate with us in our efforts to do this. We may also reduce the payment to you without notice to adjust it for any previous over-payment.**

l. **Gift Cards.** Redemption and use of gift cards (other than Skype gift cards) are governed by the [Microsoft Gift Card Terms and Conditions](https://support.microsoft.com/help/10562/microsoft-account-gift-card-terms-and-conditions) (<https://support.microsoft.com/help/10562/microsoft-account-gift-card-terms-and-conditions>). Information on Skype gift cards is available on Skype's [Help page](https://go.microsoft.com/fwlink/?LinkId=615383) (<https://go.microsoft.com/fwlink/?LinkId=615383>).

m. **Bank Account Payment Method.** You may register an eligible bank account with your Microsoft account to use it as a payment method. Eligible bank accounts include accounts held at a financial institution capable of receiving direct debit entries (e.g. a United States-based financial institution that supports automated clearing house ("**ACH**") entries, a European financial institution that supports Single Euro Payments Area ("**SEPA**") or "iDEAL" in the Netherlands). Terms you agreed to when adding your bank account as a payment method in your Microsoft account (e.g., the "mandate" in the case of SEPA) also apply. You represent and warrant that your registered bank account is held in your name or you are authorised to register and use this bank account as a payment method. By registering or selecting your bank account as your payment method, you authorise Microsoft (or its agent) to initiate one or more debits for the total amount of your purchase or subscription charge (in accordance with the terms of your subscription service) from your bank account (and, if necessary, initiate one or more credits to your bank account to correct errors, issue a refund or similar purpose), and you authorise the financial institution that holds your bank account to deduct such debits or accept such credits. You understand that this authorisation will remain in full force and effect until you remove your bank account information from your Microsoft account. Contact customer support as outlined above in section 4.e as soon as possible if you believe you have been charged in error. Laws applicable in your country may also limit your liability for any fraudulent, erroneous or unauthorised transactions from your bank account. By registering or selecting a bank account as your payment method, you acknowledge that you have read, understand and agree to these Terms.

Also, if allowed by your Xbox privacy settings, Microsoft can publish your name, gamertag, gamerpic, motto, avatar, gameclips and games that you've played in communications to people you allow. If you have enabled Xbox-specific Family Safety settings, those settings apply on Xbox consoles, Xbox Cloud Gaming, and the Xbox app on PC or mobile devices, but may not apply to Xbox Game Studios games or services accessed or played on other devices or platforms. Game currency and virtual goods may never be redeemed for actual monetary instruments, goods or other items of monetary value from Microsoft or any other party. Other than a limited, personal, revocable, non-transferable, non-sublicensable licence to use the game currency and virtual goods in the Xbox Services only, you have no right or title in or to any such game currency or virtual goods appearing or originating in the Xbox Services, or any other attributes associated with use of the Services or stored within the Xbox Services. - xi. **Additional end-user licence agreements and codes of conduct.** Some Xbox Services may have their own usage terms and codes of conduct.

Store

b. **Store.** "Store" refers to a Service that allows you to browse, download, purchase and rate and review applications (the term "application" includes games) and other digital content. These Terms cover use of certain Stores owned or operated by Microsoft or its affiliates (including, but not limited to, the Office Store, Microsoft Store on Windows and Microsoft Store on Xbox). "Office Store" means a Store for Office products and apps for Office, Microsoft 365, SharePoint, Exchange, Access and Project (2013 versions or later), or any other experience that is branded Office Store. "Microsoft Store on Windows" means a Store, owned and operated by Microsoft or its affiliates, for Windows devices such as phone, PC and tablet, or any other experience that is branded Microsoft Store and accessible on Windows devices such as phone, PC or tablet. "Microsoft Store on Xbox" means a Store owned and operated by Microsoft or its affiliates for Xbox consoles, or any other experience that is branded Microsoft Store and made available on an Xbox console.

i. **Licence Terms.** We will identify the publisher of each application available in the relevant Store. Unless different licence terms are provided with the application, the Standard Application Licence Terms ("**SALT**") at the end of these Terms are an agreement between you and the application publisher setting forth the licence terms that apply to an application you download through any Store owned or operated by Microsoft or its affiliates (excluding the Office Store). For clarity, these Terms cover the use of, and services provided by, Microsoft Services. Section 5 of these Terms also applies to any Third-Party Apps and Services acquired through a Store. Applications downloaded through the Office Store are not governed by the SALT and have separate licence terms that apply.

ii. **Updates.** Microsoft will automatically check for and download updates to your applications, even if you're not signed into the relevant Store. You can change your Store or system settings if you prefer not to receive automatic updates to Store applications. However, certain Office Store applications that are entirely or partly hosted online may be updated at any time by the application developer and may not require your permission to update.

iii. **Ratings and Reviews.** If you rate or review an application or other Digital Good in the Store, you may receive email from Microsoft containing content from the publisher of the application or Digital Good. Any such email comes from Microsoft; we do not share your email address with publishers of applications or other Digital Goods you acquire through the Store.

iv. **Safety Warning.** To avoid possible injury, discomfort or eye strain, you should take periodic breaks from use of games or other applications, especially if you feel any pain or fatigue resulting from usage. If you experience discomfort, take a break. Discomfort might include feelings of nausea, motion sickness, dizziness, disorientation, headache, fatigue, eye strain or dry eyes. Using applications can distract you and obstruct your surroundings. Avoid trip hazards, stairs, low ceilings, fragile or valuable items that could be damaged. A very small percentage of people may experience seizures when exposed to certain visual images like flashing lights or patterns that may appear in applications. Even people with no history of seizures may have an undiagnosed condition that can cause these seizures. Symptoms may include lightheadedness, altered vision, twitching, jerking or shaking of limbs, disorientation, confusion, loss of consciousness or convulsions. Immediately stop using and consult a doctor if you experience any of these symptoms, or consult a doctor before using the applications if you've ever suffered symptoms linked to seizures. Parents should monitor their children's use of applications for signs of symptoms.

Microsoft Family Features

c. **Microsoft Family Features.** Parents and kids can use Microsoft family features, including Microsoft Family Safety, to build trust based on a shared understanding of what behaviour, websites, apps, games, physical locations and spending is right in their family. Parents can create a family by going to <https://account.microsoft.com/family> (or by following the instructions on their Windows device or Xbox console) and inviting kids or other parents to join. There are many features available to family members, so please carefully review the information provided when you agree to create or join a family and when you purchase Digital Goods for family access. By creating or joining a family, you agree to use the family in accordance with its purpose and won't use it in an unauthorised way to unlawfully gain access to another person's information. Microsoft Family Features are exclusive to Microsoft Services and are not transferable to other platforms. For example, Xbox-specific Family Safety settings apply on Xbox consoles, Xbox Cloud Gaming, and the Xbox app on PC or mobile devices, but may not extend to Xbox Game Studios games or services accessed or played on other devices or platforms. To ensure a safer gaming experience for your family, please check the parental settings on these devices and platforms.

Group Messaging

d. **Group Messaging.** Various Microsoft services allow you to send messages to others via voice or SMS ("messages"), and/or allow Microsoft and Microsoft-controlled affiliates to send such messages to you and one or more other users on your behalf. WHEN YOU INSTRUCT MICROSOFT AND MICROSOFT-CONTROLLED AFFILIATES TO SEND SUCH MESSAGES TO YOU OR TO OTHERS, YOU REPRESENT AND WARRANT TO US THAT YOU AND EACH PERSON YOU HAVE INSTRUCTED US TO MESSAGE CONSENT TO RECEIVE SUCH MESSAGES AND ANY OTHER RELATED ADMINISTRATIVE TEXT MESSAGES FROM MICROSOFT AND MICROSOFT-CONTROLLED AFFILIATES. "Administrative text messages" are periodic transactional messages from a particular Microsoft service, including but not limited to a "welcome message" or instructions on how to stop receiving messages. You or group members no longer wishing to receive such messages can opt out of receiving further messages from Microsoft or Microsoft-controlled affiliates at any time by following the instructions provided. If you no longer wish to receive such messages or participate in the group, you agree that you will opt out through the instructions provided by the applicable program or service. If you have reason to believe that a group member no longer wishes to receive such messages or participate in the group, you agree to remove them from the group. You also represent and warrant to us that you and each person you have instructed us to message understands that each group member is responsible for the costs of any message charges assessed by his or her mobile carrier, including any international message charges that may apply when messages are transmitted from US-based numbers.

Skype, Microsoft Teams and GroupMe

e. Skype, Microsoft Teams and GroupMe.

i. **Emergency Services.** There are important differences between traditional mobile or fixed line telephone services and Skype, Microsoft Teams and GroupMe. Microsoft has limited obligations under applicable local or national rules, regulations or law to offer access to emergency services, such as 911 or 112 emergency calling ("**Emergency Services**") through Skype, Microsoft Teams and GroupMe. Only limited software versions of the Skype to Phone feature of Skype may support calls to Emergency Services in a very limited number of countries and depending on the platform used. You can find details about availability and how to configure this feature here: <https://www.skype.com/go/emergency>. If your Skype to Phone emergency call is connected, you will need to provide the details of your physical location to enable the emergency services to respond to you.

ii. **APIs or Broadcasting.** If you want to use Skype software and products in connection with any broadcast, you must comply with the "Broadcast TOS" at <https://www.skype.com/go/legal.broadcast>. If you want to use any application program interface ("**API**") exposed or made available by Skype you must comply with the applicable licensing terms, which are available at www.skype.com/go/legal.

iii. **Fair Use Policies.** Fair usage policies may apply to your use of Skype software and products. Please review these policies which are designed to protect against fraud and abuse and may place limits on the type, duration or volume of calls or messages that you are able to make. These policies are incorporated in these Terms by reference. You can find these policies at <https://www.skype.com/go/terms.fairusage/>.

iv. **Personal/Non-commercial Use.** The use of Skype software and products is for your personal and non-commercial use. You are permitted to use Skype at work for your own business communications.

v. **Skype Number/Skype To Go.** If Microsoft provides you with a Skype Number or Skype To Go number, you agree that you do not own the number or have a right to retain that number forever. In certain countries, a number may be made available to you by a Microsoft partner rather than Microsoft, and you may need to enter into a separate agreement with such partner. For more details on Skype Number see <https://go.skype.com/home.skype-number>.

vi. **Skype Manager.** A "Skype Manager Admin Account" is created and managed by you, acting as an individual administrator of a Skype Manager group and not as a business entity. You may link your individual Microsoft account to a Skype Manager group ("**Linked Account**"). You may appoint additional administrators to your Skype Manager group subject to their acceptance of these Terms. If you allocate Skype Numbers to a Linked Account, you are responsible for compliance with any requirements related to the residency or location of your Linked Account users. If you choose to unlink a Linked Account from a Skype Manager group, any allocated subscriptions, Skype Credit or Skype Numbers will not be retrievable and Your Content or material associated with the unlinked account will no longer be accessible by you. You agree to process any personal information of your Linked Account users in accordance with all applicable data protection laws. Your Skype Manager may be suspended if group members fail to adhere to the Code of Conduct contained in this MSA.

vii. **Skype Charges.** All prices for Skype paid products are inclusive of applicable taxes, unless otherwise stated. The charges payable for calling phones outside of a subscription consist of a connection fee (charged once per call) and a per-minute rate as set out on www.skype.com/go/allrates. Call charges will be deducted from your Skype Credit balance. Microsoft may change its calling rates at any time by posting such change at www.skype.com/go/allrates. The new rate will apply to your next call after publication of the new rates. Please check the latest rates before you make your call. Fractional call minutes and fractional charges will be rounded up to the next whole unit. In some countries, Skype paid products are provided by Microsoft's local partner and the partner's terms of use will apply to such transactions. Notwithstanding the foregoing, you may be entitled, under applicable law, to a refund, upon request, of any pre-paid subscription balance in the event you switch your Skype Number to another provider.

viii. **Skype Credit.** Microsoft does not guarantee that you will be able to use your Skype Credit balance to purchase all Skype paid products, as paid products may change from time to time. If you do not use your Skype Credit for a period of 180-days, Microsoft will place your Skype Credit on inactive status. You can reactivate the Skype Credit by following the reactivation link at <https://www.skype.com/go/store.reactivate.credit>. If you are located in Japan and you buy Skype Credit from the Skype website, the preceding two sentences do not apply to you and your Skype Credit shall expire 180 days after the date of purchase. Once your credit expires, you will no longer be able to reactivate it or use it. If your Microsoft account is closed, for any reason, any unused Skype Credit associated with your Microsoft account will be lost and cannot be retrieved. Skype Credits may not be transferred to others.

ix. **Skype Dial Pad.** You can use the Skype Dial Pad with an active subscription or Skype Credits after the retirement of the Skype desktop and mobile applications. The Skype Dial Pad is a Skype product you can access from within Microsoft Teams or on the web.

x. **International Message Fees.** GroupMe currently uses US-based numbers for each group created. Microsoft Storage

j. Microsoft Storage.

i. **OneDrive Storage Allocation.** If you have more content stored in your OneDrive than you are provided with under the terms of your free or paid subscription service for Microsoft storage and you do not respond to notice from Microsoft to fix your account by removing excess content or moving to a new subscription plan with more storage, we reserve the right to close your account and delete or disable access to Your Content on OneDrive. ii. **OneDrive Service Performance.** Depending on factors such as your equipment, Internet connection and Microsoft's efforts to maintain the performance and integrity of its service, you may occasionally experience delays in uploading or syncing content on OneDrive.

iii. **Outlook.com Storage Allocation.** If you exceed your Outlook.com mailbox storage quota or your Microsoft storage quota that you are provided with under a free or paid subscription, you will be unable to send or receive messages until you remove excess content or move to a new subscription with sufficient storage. If you fail to remove excess content or obtain sufficient additional storage after receiving notice from Microsoft, we reserve the right to delete or disable access to Your Content. Microsoft Cashback

k. **Microsoft Cashback.** The Microsoft Cashback programme ("Cashback") allows Microsoft customers to earn cash back awards when shopping with participating retailers using certain Microsoft products and services like Bing.com and Microsoft Edge. By enrolling in Cashback or activating a Cashback offer, you accept and agree to the [Cashback Terms and Conditions](https://www.microsoft.com/bing/rebates-terms) (<https://www.microsoft.com/bing/rebates-terms>). Certain eligibility criteria, restrictions and other limitations apply to your participation in Cashback; for more information, see the [Cashback FAQ](https://www.bing.com/rebates/faq) (<https://www.bing.com/rebates/faq>).

Microsoft Rewards

I. Microsoft Rewards.

i. **General Information.** Microsoft Rewards (the "**Rewards Programme**") is free to join, and it enables you to earn points ("**Points**") for certain activities and for personal use of certain Microsoft products and services. If you have a Microsoft account and are located in a participating Region (defined below), you have been automatically enrolled in the Rewards Programme and can begin earning Points immediately. You can cancel your participation in the Rewards Programme at any time by following the instructions below.

ii. You can redeem your Points in a variety of ways ("**Redemption Options**"), including for certain products and services listed on the [Redemption Page](https://aka.ms/redeemrewards) at <https://aka.ms/redeemrewards> ("**Rewards**"). To be eligible to redeem your Points for any Redemption Option, you must first activate your Rewards Programme account ("**Rewards Account**") on the [Rewards Dashboard](https://rewards.microsoft.com/) at <https://rewards.microsoft.com/> or on certain other Microsoft sites and pages. There is no cost to activate your Rewards Account.

iii. Certain restrictions and limitations apply to earning, redeeming and other uses of Points in the Rewards Programme. For more information see the Rewards section at <https://support.microsoft.com> ("**FAQ**").

iv. **Requirements.** You need a valid Microsoft account and you must reside in one of the geographic areas listed in the FAQ ("**Regions**") to activate your Rewards Account and to earn, redeem or otherwise use Points. You may open and use only one Rewards Account, even if you have multiple email addresses. Each household is limited to six Rewards Accounts. The Rewards Programme is solely for your personal and non-commercial use. Use of a virtual private network (VPN) or other technology or service that can be used to mask or obfuscate your geographic location may result in cancellation of your Rewards Account and forfeiture of your accrued Points.

v. **Earning Points.** You may be presented with opportunities to earn Points for certain qualifying activities ("**Offers**"), such as Searches, Acquisitions, use of certain Microsoft products and services, and other opportunities from Microsoft. You must have an active Rewards Account to take advantage of such Offers. After completing requirements for certain Offers, you may be required to claim the Points on the Rewards Dashboard before the Points are earned and added to your Rewards Account. Failure to claim the Points within the time specified by Microsoft may result in the Points being forfeited. Eligible Offers may vary by Region and may only be available for a certain time or subject to other limitations. You must comply with all terms and conditions of a particular Offer to earn Points awarded with that Offer. You may be presented with Offers directly on the Rewards Dashboard or when you use certain Microsoft products and services. From time to time, Microsoft may offer or award you additional Points in its sole discretion and with or without prior notice, including for what Microsoft determines to be good-faith Searches and other interactions with Microsoft services.

vi. For purposes of the Rewards Programme, a "**Search**" is the act of an individual user manually entering text for the good faith purpose of obtaining Bing search results for such user's own research purposes; a "Search" does not include queries not intended or used for genuine good-faith personal research purposes or a query entered by a bot, macro or other automated or fraudulent means of any kind. For purposes of the Rewards Programme, an "**Acquisition**" is the process of purchasing goods or downloading and acquiring a licence for digital content directly from Microsoft, whether free or paid. Points are not offered for every Acquisition from Microsoft, and certain restrictions may apply.

vii. **Restrictions and Limitations on Points.** Points are awarded by Microsoft to individual Rewards Accounts and cannot be transferred to any other person or entity. Notwithstanding the foregoing, Microsoft may from time to time at its sole discretion permit you (i) to share your Points within your household (limits may apply), (ii) to contribute your Points to support a non-profit organisation listed on the Redemption Page, or (iii) depending on your Region and subject to other terms and conditions, to redeem all or some of your Points for points in certain other rewards or loyalty programmes, including programmes operated by Microsoft or authorised third parties. Points are and remain at all times the property of Microsoft, and do not constitute your personal property; they have no cash value, and you may not obtain any cash or money in exchange for them. Points are awarded to you on a promotional basis only. You cannot purchase Points. Microsoft may limit the quantity of Points or Rewards that can be earned or redeemed per person, per household or over a set period (e.g. a day) provided that you are not disadvantaged in breach of good faith; please refer to the FAQ for currently applicable limitations. Unless an Offer or Redemption Option explicitly states otherwise, Points earned in the Programme are not valid in, and may not be used in combination with, any other programme offered by Microsoft or third parties. **Unredeemed Points associated with your Rewards Account expire if you do not earn or redeem any Points in your Rewards Account for 12 consecutive months.**

viii. **Redemptions.** Redemption Options will be made available to you on the Redemption Page and on certain other Microsoft sites and pages. You must earn and have available in your Rewards Account all of the Points required for a Redemption Option before you can redeem your Points for that Redemption Option. There may be a limited number of a particular Reward available, and those Rewards will be delivered on a first-come, first-served basis. You may be required to provide additional information, such as your mailing address and a telephone number (other than a VOIP or freephone number), and you may also be asked to enter a fraud-prevention code or sign additional legal documents to redeem Points for certain Redemption Options. Once you redeem your Points, you cannot cancel or return the Redemption Option for a refund of Points except in the case of defective products or as required by applicable law. If you select a Redemption Option that is out of stock or unavailable for other reasons, we may substitute a Redemption Option of comparable value or refund your points at our sole discretion.

ix. Microsoft may update or discontinue offering specific Redemption Options at any time for any reason. Some Redemption Options may have age or Region eligibility requirements, or other terms or conditions on their redemption or use. Any such requirements or conditions will be included in the relevant redemption offer. You are responsible for all taxes and any other costs of accepting and using the Redemption Option. Rewards will be emailed to the email address associated with your Microsoft account, so keep your email address up to date. Rewards that are undeliverable will not be reissued and are therefore forfeited. Rewards may not be resold. You may redeem no more than 550,000 Points per calendar year in the Rewards Programme.

x. **Cancelling Your Rewards Account.** If you no longer wish to participate in the Rewards Programme, follow the instructions on the [opt out page](https://rewards.microsoft.com/optout) (<https://rewards.microsoft.com/optout>) to cancel your Rewards Account. If you cancel your Rewards Account, you will immediately forfeit all of your earned Points and will lose your ability to earn new Points in the future. To begin earning Points again, you must open a new Rewards

Account (but Microsoft will not reinstate any previously forfeited Points). **Your Rewards Account may be cancelled (and your Points forfeited) if you do not log in to your Microsoft account for 12 consecutive months.**

xi. **Programme Changes or Discontinuation.** Microsoft reserves the right to change, modify, discontinue or cancel the Rewards Programme or any part thereof at any time, at its sole discretion and without prior notice. However, if the Rewards Programme is cancelled or discontinued, we will make reasonable efforts to notify you by email and on the Rewards Dashboard and to provide you with at least 90 days to redeem your accrued Points, unless we determine that such cancellation must take effect immediately for legal or security reasons.

xii. **Other Terms.** Microsoft reserves the right to immediately cancel your Rewards Account, disqualify you from future participation in the Rewards Programme, forfeit all of your earned Points and cancel or suspend any Redemption Option you have obtained through the Rewards Programme if Microsoft believes you have tampered with, abused or defrauded any aspect of the Rewards Programme or breached these terms. Microsoft further reserves the right to cancel or suspend any Redemption Option you have obtained or attempted to obtain through the Rewards Programme if Microsoft determines you are ineligible to receive that Redemption Option for legal reasons (such as export laws). While Microsoft makes every effort to ensure accuracy, errors occasionally occur. Microsoft therefore reserves the right to correct such errors at any time, even if it affects current Offers or your pending, earned or redeemed Points or Rewards. In the event of any inconsistency or discrepancy between these Rewards Programme terms or other statements contained in any related materials or advertising, these terms prevail, govern and control.

 2. To deceive or intentionally misinform (e.g. false advertising) or deploy subliminal techniques (e.g. visual, auditory or other signals beyond a normal person's range of perception) with the intent to manipulate or distort the behaviour of a person in a way that causes harm;
 3. In entering into these Terms, you have not relied on any statement, representation, warranty, understanding, undertaking, promise or assurance other than as expressly set out in these Terms. All parts of these Terms apply to the maximum extent permitted by relevant law. STANDARD APPLICATION LICENCE TERMS**MICROSOFT STORE, MICROSOFT STORE ON WINDOWS AND MICROSOFT STORE ON XBOX**

These licence terms are an agreement between you and the application publisher. Please read them. They apply to the software applications you download from the Microsoft Store, the Microsoft Store on Windows or the Microsoft Store on Xbox (each of which is referred to in these licence terms as the "**Store**"), including any updates or supplements for the application, unless the application comes with separate terms, in which case those terms apply.

BY DOWNLOADING OR USING THE APPLICATION, OR ATTEMPTING TO DO ANY OF THESE, YOU ACCEPT THESE TERMS. IF YOU DO NOT ACCEPT THEM, YOU HAVE NO RIGHT TO AND MUST NOT DOWNLOAD OR USE THE APPLICATION.

The application publisher means the entity licensing the application to you, as identified in the Store.

If you comply with these licence terms, you have the rights below.

1. **INSTALLATION AND USE RIGHTS; EXPIRATION.** You may install and use the application on Windows devices or Xbox consoles as described in Microsoft's [Usage Rules](https://go.microsoft.com/fwlink/p/?LinkId=723143) (<https://go.microsoft.com/fwlink/p/?LinkId=723143>). Microsoft reserves the right to modify Microsoft's [Usage Rules](https://go.microsoft.com/fwlink/p/?LinkId=723143) (<https://go.microsoft.com/fwlink/p/?LinkId=723143>) at any time.

2. **INTERNET-BASED SERVICES.**

a. **Consent for Internet-based or wireless services.** If the application connects to computer systems over the Internet, which may include via a wireless network, using the application operates as your consent to the transmission of standard device information (including but not limited to technical information about your device, system and application software and peripherals) for Internet-based or wireless services. If other terms are presented in connection with your use of the services accessed using the application, those terms also apply.

b. **Misuse of Internet-based services.** You may not use any Internet-based service in any way that could harm it or impair anyone else's use of it or the wireless network. You may not use the service to try to gain unauthorised access to any service, data, account or network by any means.

3. **SCOPE OF LICENCE.** The application is licensed, not sold. This agreement only gives you some rights to use the application. If Microsoft disables the ability to use the applications on your devices pursuant to your agreement with Microsoft, any associated licence rights will terminate. The application publisher reserves all other rights. Unless applicable law gives you more rights despite this limitation, you may use the application only as expressly permitted in this agreement. In doing so, you must comply with any technical limitations in the application that only allow you to use it in certain ways. You may not:

- a. Work around any technical limitations in the application.
- b. Reverse engineer, decompile or disassemble the application, except and only to the extent that applicable law expressly permits, despite this limitation.
- c. Make more copies of the application than specified in this agreement or allowed by applicable law, despite this limitation.
- d. Publish or otherwise make the application available for others to copy.
- e. Rent, lease or lend the application.
- f. Transfer the application or this agreement to any third party.

4. **DOCUMENTATION.** If documentation is provided with the application, you may copy and use the documentation for personal reference purposes.

5. **TECHNOLOGY AND EXPORT RESTRICTIONS.** The application may be subject to United States or international technology control or export laws and regulations. You must comply with all domestic and international export laws and regulations that apply to the technology used or supported by the application. These laws include restrictions on destinations, end users and end use. For information on Microsoft branded products, go to the [Microsoft exporting website](https://go.microsoft.com/fwlink/?linkid=868967) (<https://go.microsoft.com/fwlink/?linkid=868967>).

6. **SUPPORT SERVICES.** Contact the application publisher to determine what support services are available. Microsoft, your hardware manufacturer and your wireless carrier (unless one of them is the application publisher) aren't responsible for providing support services for the application.

7. **ENTIRE AGREEMENT.** This agreement, any applicable privacy policy, any additional terms that accompany the application and the terms for supplements and updates are the entire licence agreement between you and application publisher for the application.

8. **APPLICABLE LAW.**

a. **United States and Canada.** If you acquired the application in the United States or Canada, the laws of the state or province where you live (or, if a business, where your principal place of business is located) govern the interpretation of this agreement and applies to claims for breach of it, and all other claims (including consumer protection, unfair competition and tort claims) regardless of conflict of laws principles.

b. **Outside the United States and Canada.** If you acquired the application in any other country, the laws of that country apply.

9. **LEGAL EFFECT.** This agreement describes certain legal rights. You may have other rights under the laws of your state or country. This agreement doesn't change your rights under the laws of your state or country if the laws of your state or country don't permit it to do so.

10. **DISCLAIMER OF WARRANTY.** Subject to applicable law, the application is licensed "as-is", "with all faults" and "as available". You bear all risk of using it. The application publisher, on behalf of itself, Microsoft (if Microsoft isn't the application publisher), wireless carriers over whose network the application is provided and each of our respective affiliates, vendors, agents and suppliers ("Covered Parties"), gives no express warranties, guarantees or conditions in relation to the application. The entire risk as to the quality, safety, comfort and performance of the application is with you. Should the application prove defective, you assume the entire cost of all necessary servicing or repair. You may have additional consumer rights under your local laws that this agreement can't change. To the

extent permitted under your local laws, Covered Parties exclude any implied warranties or conditions, including those of merchantability, fitness for a particular purpose, safety, comfort and non-infringement.

11. LIMITATION ON AND EXCLUSION OF REMEDIES AND DAMAGES. To the extent not prohibited by law, if you have any basis for recovering damages, you can recover from the application publisher only direct damages up to the amount that you paid for the application or USD\$1.00, whichever is greater. Subject to applicable law, you will not, and waive any right to, seek to recover any other damages, including consequential, lost profits, special, indirect or incidental damages from the application publisher. If your local laws impose a warranty, guarantee or condition even though these terms do not, subject to applicable law, its duration is limited to 90-days from when you download the application.

This limitation applies to:

- **Anything related to the application or services made available through the application; and**
- **Claims for breach of contract, warranty, guarantee or condition; strict liability, negligence or other tort; violation of a statute or regulation; unjust enrichment; or under any other theory; all to the extent permitted by applicable law.**

It also applies even if:

- **This remedy doesn't fully compensate you for any losses; or**
- **The application publisher knew or should have known about the possibility of the damages.**
